

I urge my colleagues on both sides of the aisle to denounce the radical support for infanticide and join me in reaffirming and protecting the inalienable right to life.

Let's do the right thing. Let's bring the Born-Alive Abortion Survivors Protection Act up for a vote in this House and pass this bill to preserve the sanctity of life.

REPLACE ENBRIDGE INC.'S LINE 3

(Mr. STAUBER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STAUBER. Mr. Speaker, I rise today to highlight the critical need to replace Enbridge's Line 3, an aging pipeline dangerously corroding and operating at only 51 percent.

Line 3 pipeline replacement project is on its fourth year of review and has met or exceeded every single required environmental standard. The Minnesota Public Utilities Commission unanimously voted to issue its certificate of need last year.

The project will create more than 4,000 construction jobs and enjoys the support of construction trade unions throughout the State of Minnesota. The project is supported by dozens of elected officials and thousands of Minnesotans. It will also generate an additional \$19 million in property tax revenue, providing a significant funding increase to rural schools.

With all this benefit, it was greatly disappointing to hear we would have further delays. Unfortunately, certain State officials in Minnesota feel beholden to, in the words of our operating engineers, "environmental extremism." These environmental extremists are the same folks who vandalized the current pipeline just last week, ironically creating a dangerous situation for themselves and the environment.

VA SALUTE TO VETERAN PATIENTS WEEK

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize our Nation's veterans and the work of those who care for them during National Salute to Veteran Patients Week. Across the country this week, VA hospitals are celebrating our veterans and showing appreciation for those who may not have loved ones with whom to spend Valentine's Day.

During last year's National Salute to Veteran Patients Week, 288,000 valentines were delivered to VA medical centers from schoolchildren and various organizations across our country. These efforts included more than 1,400 community groups and 9,000 volun-

teers. I hope that this year we can build on that effort and show even more gratitude to our veterans.

I am proud to see our Nation come together for a week like this one and all the volunteers who took the time to express their respect and appreciation.

To all our veteran patients, thank you for your service, and I hope that you have a wonderful Valentine's Day.

VALENTINE WISHES TO AMIE SUE SPANO

(Mr. SPANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SPANO. Mr. Speaker, 28 years ago today was a very good day. In fact, it was one of the best days of my life. You see, it was the day that Amie Sue Wurzel said yes. She said yes to my clumsy marriage proposal.

Since then, we have been through a lot together. We raised four kids, completed undergraduate school and law school, moved eight times, started and grew a business, grieved the death of her brother and my father, struggled through my significant health challenges, and won six elections.

I loved her back then, but the days, months, and years of shared heartache, struggle, laughter, sickness, joy, commitment, and faithfulness have caused my love for her to grow stronger and deeper than my words can possibly express.

She has put up with and even supported my crazy ideas and dreams, even when they have required great sacrifice for her and for our family.

On this Valentine's Day, Amie Sue, even though we are apart, I need you to know and understand how grateful I am that you said yes and how very much I love you.

GENERAL LEAVE

Mr. PERLMUTTER. Madam Speaker, I ask unanimous consent that all Members be given 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

Mr. PERLMUTTER. Madam Speaker, the Rules Committee met and reported a rule, House Resolution 131, providing for the consideration of the conference report to accompany H.J. Res. 31, the Consolidated Appropriations Act of 2019.

The rule provides for consideration of the legislation under a conference report rule and provides for 1 hour of debate. The rule also provides for standard recess procedures through Friday, February 22.

Madam Speaker, this legislation has been a long time coming. In December, the Senate passed a clean continuing resolution for the seven appropriation bills which hadn't been completed. The President said at the time he would sign that bill, but then the President changed course and demanded \$5.7 billion for his campaign promise of a border wall.

As we now know, this led to the longest government shutdown in United States history: 35 days. This put our country in jeopardy by withholding paychecks for 800,000 Federal employees who are patriots and provide critical services to our country and to all Americans.

Put simply, this was not an issue worth shutting down the Federal Government. That is why I am pleased we are here today to avoid another shutdown and begin to get the agencies affected by the shutdown back on track.

This bill provides appropriations for the seven remaining appropriations bills through the end of the fiscal year, including Agriculture, Rural Development, Food and Drug Administration; Commerce, Justice, Science; Financial Services and General Government; Homeland Security; Interior and Environment; State and Foreign Operations; and Transportation, Housing and Urban Development.

Over the past 6 weeks, we heard testimony from the chairs and ranking members of the Appropriations Committee numerous times as we tried to reopen the government last month.

A constant theme from those hearings, from both Democrats and Republicans, was respect for the appropriators and their ability to negotiate a deal. Today's result is confirmation of that trust we placed in our appropriators.

I want to congratulate all the committee Members and staff for their work over the last few weeks.

The conference report in front of us today is by no means perfect, but it represents a compromise between Democrats and Republicans and between the House and the Senate.

There are many programs well funded by this bill. For instance, the Census Bureau will see an increase of more than \$1 billion as they prepare for the 2020 Census, to ensure an accurate count.

NASA, which invests heavily in Colorado and across all of the country, will see a \$763 million increase over last year to fully fund NASA's science mission directorates and support human
